Welcome to PCYC Queensland Fun Squad!

About Fun Squad

PCYC Queensland is the state's largest approved provider of outside school hours fun. More than 20,000 children participate in Fun Squad before school, after school and during school holidays.

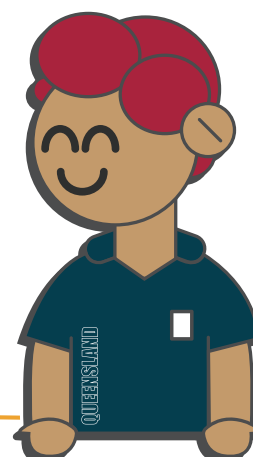

Why are we the largest?

We know that fun fuels minds: we have experience and research behind us, and children and young people are at the centre of all we do.

Our Fun Squad is designed to make sure our children are happy, healthy, thriving and having serious fun.

Your child will be supported to thrive through engaging activities that fire up their curiosity, enhance their wellbeing and boost their resilience and confidence.

All PCYC Fun Squad members and families are entitled to PCYC Queensland membership, providing unique access to our 55 clubs across the state.

Program

Fun Squad children are happy, healthy, thriving and having some serious fun!
Your child will be supported through:

Most importantly for your child: it's seriously fun!

Children are in the driver's seat and will be integral to creating their own journeys through the activities, play and learning at Fun Squad. They'll be encouraged to try new experiences and challenge themselves as they make new friends and use their imaginations.

At Fun Squad we focus on sustainability, friendship, leadership, inclusivity, diversity, wellbeing and community spirit. Fun Squad children are resilient, kind and curious – the next community leaders!

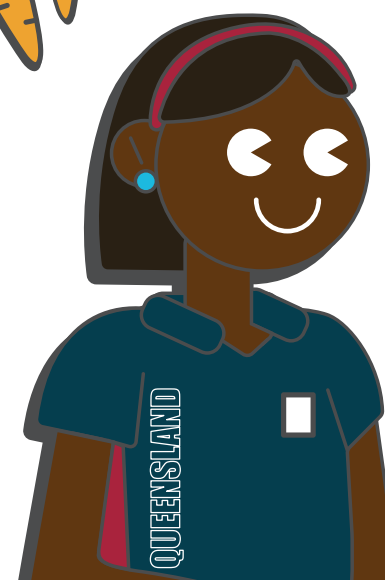

Food

Daily menus are displayed in the family area, and we welcome ideas from families for favourite recipes! Our food is nutritious, healthy, inclusive and diverse.

We'll accommodate any dietary requirements – please be sure to let us know about them!

We want to work together to ensure all children are safe at Fun Squad; if any of our Fun Squad children have allergies, we'll display the foods so we can ensure our Fun Squad is a safe place for them.

Staffing

Our Fun Squad teams are always ready to be Seriously Fun! With our highly qualified Educators and Service Managers, your children are in safe – and fun – hands.

We will always have two Educators onsite at a minimum, as well as our experienced Service Manager.

Our allocated Responsible Person will be your point of contact, answering any questions you have when you come to Fun Squad.

Extra-Curricular Activities

Fun Squad children get busy! If your child is attending an extra-curricular activity at school, that's great – please let us know, fill out our form, and we'll ensure they get there and back safely.

Fun Squad Fees and Fine Print

At Fun Squad, we make keeping up with payments as easy as possible, so you can focus on the fun times. Simply set up a regular weekly direct debit in the Parent Portal – we'll take care of the rest!

We know that sometimes things don't go quite as planned – that's life! – but rest assured, we're here to help. If you fall behind in payments, we will reach out to you and, wherever we can, work with you on a payment plan if needed.

For more information and to read our full policy, please scan the QR code.

When life gets in the way: last minute bookings and running late

We know life gets busy, but to ensure our Fun Squad is as fun as possible, we need 10 days' notice to secure a booking. There will be a small fee of \$4 for those that are made later than this, to help us make sure everybody and everything is ready for your child!

If you are running late for pick-up, there is a five-minute grace period. After that, there will be a late fee of \$15 for every 15 minutes past closing time. This helps us to make sure we can keep things running smoothly for our Fun Squad children and team members.

Cancellation

We require seven days' notice to cancel a booked session. If we don't receive notice within this period, the booking will be marked as absent, and the session fee will apply.

Kidsoft Parent Portal allows you to manage cancellations with ease.

Please notify your Fun Squad service if you are running late.

Fun Squad Essentials

What To Bring

Children need to be prepared for fun and learning.

That means bringing:

- ✦ a hat,
- ✦ a water bottle,
- ✦ any medication or specific sunscreen,
- ✦ food items if your child has additional dietary requirements,
- ✦ closed shoes,
- ✦ sun smart clothing,
- ✦ and homework items.

Hellos and Goodbyes

Fun Squad children are safe children – so they need to be signed in and out of our service. To do this, each person authorised to pick up children requires their own PIN to log in.

For any last-minute collections, you will need to email the Fun Squad and the person collecting your child will need photo ID with them upon collection.

Your Fun Squad service will need to be provided with any current court orders, parenting orders, or parenting plans, and kept up to date with any changes regarding these.

Transport

Some Fun Squad services provide transport. Check with our Fun Squad team what transport options are at your service and the specifics of how to book.

Individual Child Support Requirements

At Fun Squad, we celebrate every individual child – and know that each child responds to different kinds of support. We'll take care of that, making sure they are set up for success and fun!

Sometimes support looks like an individualised plan, an NDIS plan, or monitoring and providing care for a medical condition. No matter what your child's needs, please work with our Fun Squad team to cater for the individual needs of your child/ren.

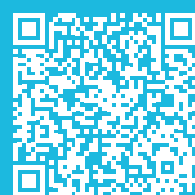

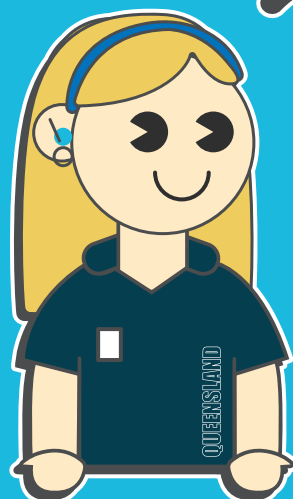

All enrolled children with a medical condition are required to have a Medical Management Plan.

Educators will provide first aid and seek medical attention as required, and will administer medical treatment when reasonably necessary. In this instance we will notify you or your emergency contacts.

Safeguarding Children

In accordance with *Child Protection (Mandatory Reporting – Mason's Law) Amendment Act 2016*, Fun Squad team members must report concerns to Child Safety, where there is a reasonable suspicion that the child has suffered, is suffering, or is at unacceptable risk of suffering, significant harm caused by physical or sexual abuse, and there is not a parent/carer able and willing to protect the child from harm.

Use our Child and Youth Safeguarding Concern online form to submit any concerns or complaints relating to the safety and wellbeing of a child or young person in our programs. We encourage you to speak up.
